IN THE DRAWINGS

Please replace drawing sheets 10 and 11 with the attached Replacement Sheets.

REMARKS

Applicant respectfully requests the Office to enter the amendments. No new matter has been added.

Applicant has amended the application in response to the Notice to File Corrected Papers sent on December 3, 2008 (a copy being filed herewith), which requested that Applicant number the illustrations (drawing sheets 10 and 11) in accordance with 37 CFR 1.84. Applicant was also directed to amend the specification in accordance with 37 CFR 1.74 to reflect the change to the drawing sheets, and was required to submit replacement drawings. Applicant was also requested to remove the Japanese characters. Applicant has complied with these requests.

The amendments to page 10, which lists the figures, were necessitated by relabeling the original drawing sheets from "Chemical Formula 1" and "Chemical Formula 2" to "FIG. 10" and "FIG. 11," respectively. These amendments find support in the application as filed as follows:

FIG. 10: page 11, lines 3 to 13; and

FIG. 11: page 12, lines 12 to 20.

To conform to the newly numbered drawing sheets, Applicant has accordingly amended the specification at page 11, lines 4 to 13 and page 12, lines 13 to 20 to replace "Chemical Formula 1" and "Chemical Formula 2" with "FIG. 10" and "FIG. 11," respectively.

The replacement drawing sheets have been renumbered and Japanese characters deleted from FIG. 11.

CONCLUSION

Applicant believes the application is now ready for issuance. If there are any questions or concerns with the present submission, the Office is invited to contact Applicant's attorney, below.
